Phone: Phoenix: 602-506-5151 or Mesa: 602-372-1558

### Cradle to Crayons (C2C) Clinical Intake Referral -Must have at least one child under 4 years of age

**Judge can say to parent:** C2C Services is a voluntary program available to families with children birth to three and provides services to support family reunification. Someone from the program will call you to complete an intake and talk about the available services; at that time, you can choose whether or not to participate. Families who participate in C2C services have a higher rate of reunification.

Parents need to be referred during a court hearing  
Must have at least one child under the age of 4 years

**Judge or JA notifies C2C Clinical Director via email** providing referred parent's name and JD number to:

### Mediation

**Judge/Attorney can say:** We're running out of time and haven't reached clarity on X issue. Let's set a mediation to resolve/articulate: current safety factors, parenting time, conditions for return

- Any party can request: Judge, attorneys, DCS Specialist, CASAs, parents
- **At least 45-60 days after PPH or IDH (60 days is best practice)**
- Can be scheduled "On Demand" by Judge or Mediator when needed at any point throughout the case
- **If not scheduled during the hearing email referral to:**  
[MediationReferral@jbazmc.maricopa.gov](mailto:MediationReferral@jbazmc.maricopa.gov)

**Consider mediation to address:**

relationship/communication issues between parties, i.e., DCS Specialist and parent(s).

### Resource Coordination (within Conciliation Services) – Works directly with parents

**Judge/Attorney can say:** A Resource Coordinator is available to work directly with you with resource needs both in-person or remotely. Some examples of things Resource Coordinators can help with are: **housing, food box, employment, parenting classes**

Can be referred during a court hearing, by attorney request, or parent may self-refer

**To make a referral email:**  
[Resource\\_Coordination@jbazmc.maricopa.gov](mailto:Resource_Coordination@jbazmc.maricopa.gov)

### Community Coordination – Does not work directly with parent

Community Coordinators are referred on dependency cases when barriers to service provision for the child and family are identified during the court process. Coordinators act as court liaisons and utilize creative problem-solving techniques to offer unique solutions to pervasive and systemic barriers. Community Coordinators also serve as an information source for the Bench by reporting timely, accurate information to the Court via memoranda that are uploaded in JAX.

When a Community Coordinator is PRESENT at the hearing: Order assignment for a task-specific reason

When a Community Coordinator is NOT PRESENT at the hearing: Order assignment for task-specific reason AND  
**Email JD number with reason of referral to:**
