

LAW LIBRARY AND RESOURCE CENTER UPDATE- COVID19

The health and safety of you and our community is paramount to the Judicial Branch in Maricopa County and we are taking steps to protect the wellbeing of our customers.

To achieve this mission, it is critical we suspend non-mandated functions of the court until further notice.*

Effective Thursday, March 19, 2020, the Law Library and Resource Center (LLRC) will be open and remain available to any customer seeking a protective order or requesting a hearing on a protective order that was served on them. Please follow the signage to the Protective Order Areas so staff may assist you.

We appreciate your cooperation and understanding.

*If you need assistance for something other than a protective order, please visit our website at <https://superiorcourt.maricopa.gov/llrc/> to access court forms, legal resources, or the law library. In addition, you can call the LLRC at 602-506-7353 for assistance.
