

Instructions to fill out petition to enforce court order about division of property

WHEN TO USE THIS FORM:

Use this form if you want to get a court order making the other party obey the divorce decree about division of property. You cannot use this form to make the other party pay a debt he or she was assigned as a result of a divorce or legal separation. Use this form only if you have a divorce or legal separation decree that gave you certain property or rights to property, and your spouse (if legally separated) or former spouse (if divorced) is not obeying the decree.

When filling out any court forms, please type or print with black ink only!

IMPORTANT NOTICE TO VICTIMS OF DOMESTIC VIOLENCE:

Unfortunately, domestic violence can be part of any relationship. Domestic violence can include physical violence such as hitting, slapping, pushing, or kicking against you and/or your child(ren) and threats of physical violence or regular verbal abuse used to control you and/or your children. Your spouse or former spouse does NOT need to have been convicted of domestic violence or assault for you to be a domestic violence victim, and you do not need to have sought medical care or been admitted to a hospital to be a victim.

All court documents will request your address and phone number. If you are a victim of domestic violence, are in a domestic violence shelter, or if you do not want your address known in order to protect yourself or your children from further violence, you must file a Request for Protected Address and ask that your address not be disclosed on court papers. If the Court grants your Request, you do not need to provide your address and phone number on your court papers. If possible, get a P.O. Box or use a valid address on these papers. If you have no other address or phone where you can be reached when you file, write "protected" where asked for this information and update the clerk of the court with an address and phone number as soon as possible.

CASE NUMBER

Use the same Case Number on all your court papers that you received with your original case. This is the number you were assigned in the divorce or separation case you already had in court in Maricopa County. If your order is from another county or out-of-state you will be provided with a Maricopa County case number.

PETITION:

- A. Make sure your form states "Petition to enforce court order about division of property" in the upper right hand part of the page.
- B. In the top left corner of the first page, fill out the following: your name; address (if not protected); city, state and zip code; telephone number; and your ATLAS number, if you are receiving or have received financial assistance from the Arizona Department of Economic Security.

- C. Fill in the space that says "Name of Petitioner/Party A" and "Name of Respondent/Party B." Complete the caption exactly the same way as it was in the divorce, or separation, case in Maricopa County. The designation of Petitioner/Respondent will also remain the same if your divorce or separation order was from another county or another state as well, however a Maricopa County case number will be issued.

Warning: if you have an existing case in Maricopa County, do not get a new case number when filing your case! Use your existing case number. If you do not know your existing case number, ask the Clerk for your existing number before you file your complaint/petition.
