COMMUNITY PROGRAMS

We are educating, empowering, and engaging Maricopa County residents by providing accessible legal information, educational activities, and participating in community events.

Invite Us to Your Event

We love connecting with the public where we live and work! Invite us to host an information table at your event, share court resources and services, and provide fun giveaways for your attendees.

Host an Educational Workshop

Free, group sessions that help participants navigate Superior Court processes and forms on topics including:

- Divorce and Legal Separation
 - Establishing Paternity
 - Modifying Child Support
 - Name Changes
- Spanish-speaking workshops available.

Beyond the Bench

Invite a representative of the Judicial Branch to your classroom, community group, or organization. We'll match the right speaker for your audience and interests.

Building trust in the court's ability to enhance access to justice for all

Join Courthouse Experience

Schools, civic organizations, and community groups may take a guided, interactive tour to observe real court proceedings, test your civics knowledge, and learn about how the court serves the community.

Become a Community Access Point

We're building a network to connect the community to court resources. We can train your staff to guide clients through court processes, court programs, and resources. Let's work together to expand access to justice across Maricopa County.

Connect with the Court

Providing one-on-one support for individuals seeking help with court forms and filings, understanding case processes, and accessing helpful court resources. Spanish-speaking assistance available upon request.

Partnership Benefits

- Share valuable resources
- Improve access to reliable legal processes and court resources
- Empower communities through education for self-representation

Let's Connect!
