

Service on the State in a IV-D Case

The State of Arizona is entitled to notice of any proceedings that involve, or may involve, child support if the case is a IV-D case in which the DES/Division of Child Support Enforcement is involved. The State may be involved if either parent received public assistance benefits or applied for assistance with their child support case. You may serve the State as follows:

On the Office of the Attorney General

You may mail or personally deliver a copy of the documents to the Office of the Attorney General assigned to your case, along with a copy of an Acceptance of Service. The AG staff will accept service by signing the Acceptance of Service and making arrangements to return it to you. You will not be required to pay any fees for service by this method. The various office locations are printed on the reverse side of this paper.

You may also arrange for the papers to be served on the Attorney General's Office, at the same locations, by hiring a process server.

You may serve the following documents by these methods on the Attorney General's Office:

- Petitions to Establish, Modify or Enforce a Child Support Order
- Paternity Summons and Petitions
- Petitions for Dissolution of Marriage (if it is a IV-D case)
- Petition to Stop/Modify Order of Assignment

On the Director of the Department of Economic Security

You may have the Sheriff or a Registered Process Server deliver the documents to the office of the **Director of the Department of Economic Security** located at **1717 W. Jefferson Avenue, Phoenix, Arizona**. You will be required to pay fees associated with this service. The following types of pleadings **must** be served on the Director:

- Subpoenas for records of the Department of Economic Security including the Division of Child Support Enforcement, AHCCCS or the Family Assistance Administration
- Complaints for Judicial Review of Administrative Decision

IMPORTANT NOTICE:

Service upon the State of Arizona by either of the methods above **does not** substitute for service on the other parent or party. The Office of the Attorney General **cannot accept service** for another party to the case (i.e. the mother, father or caretaker).
